

# Maintenance and Emergency Roadside Assistance

After you put your signature on the bottom of the lease, we keep on working. Union Leasing is committed to keeping your fleet operations going strong. We manage maintenance so your drivers and administrators don't have to do it. We provide comprehensive programs for day-to-day service, preventative maintenance, and emergency assistance.

## Maintenance Service

### National Account Program

This is Union Leasing's basic maintenance management program. And it's powerful stuff. Like everything we do, the National Account Program pays attention to the details.

### Uniform Discount Pricing

On mechanical services including oil changes, glass and tire repairs, transmission repairs, various engine repairs, and more.

### No Cash Outlay by Drivers

Repair costs are included in the customer's monthly billing instead.

### ASE and I-Car Certified Technicians

On call, working through the problems, and solving them in economical and safe ways, certified technicians will negotiate with vendors and approve audits and repairs, according to the specifications you set in your lease.

### National Account Card

The convenience of a card that's accepted at industry-leading service centers nationwide.

### Complete Menu of Optional Maintenance Programs

Union Leasing believes in customizing solutions, so you also have the choice of other maintenance services. We'll consult with you and help you determine what works for your specific circumstances.

### Preventative Maintenance Program

Union Leasing's preventative maintenance program keeps maintenance on schedule, and at a cost level appropriate to your budget. Avoid overspending and underspending. You eliminate your drivers' out-of-pocket expenses while ensuring that targeted maintenance is performed at the right intervals.

### Emergency Road Assistance

A 24/7 emergency program provides peace of mind and protects the value of the vehicles you lease. Union Leasing's solution is comprehensive, covering the full range of emergencies, such as running out of gas, lockouts, flats, and other repairs.

### National Accident Program

After an accident, it's all about getting a safe vehicle back to your driver. Our National Accident Program takes care of the entire process.

### Reporting

We obtain accurate accident information from your drivers and provide it to you in comprehensive reports.

### Repair Specialists

Our I-Car and ASE certified technicians will handle all the details, including the selection of a repair facility, price negotiation, and follow-up.

### **Subrogation Services**

We'll work to collect 100 percent of collision coverage from third parties who are at fault and secure rental car reimbursement from insurance companies.

### **National Detailing**

Union Leasing obtains national discount pricing on wash and wax, all the way to full-level detailing of your vehicles.

### **Fleet Vehicle Rental**

We arrange low rates, either daily or monthly. And they include pick-up and delivery on temporary rentals.

### **About Union Leasing**

At Union Leasing, we provide flexible solutions for every stage of your Fleet Management Lifecycle: Planning, Leasing, Fleet Operations, and Remarketing. It's a holistic approach that ensures your business goals are achieved. But what really sets us apart is how we deliver. We treat every customer as if they were our first. We avoid off-the-shelf solutions, and instead work with you to tailor an approach that meets the needs of your clients and your business.
